

## URBAN WELLNESS PAYROLL DEDUCTION AGREEMENT

Employee Name: \_\_\_\_\_

Employee Number \_\_\_\_\_

I hereby authorize Manitoba Hydro to deduct the monthly cost of my membership to the Urban Wellness Centre (2<sup>nd</sup> floor, Cityplace) from my salary. I understand that the cost of my membership shall be deducted from my pay cheque on a monthly basis, on the second pay cheque of the month. I understand that the fitness subsidy will be applied at the same time the deduction is applied, up to the annual maximum of \$250.00.

I agree that Manitoba Hydro is authorized to continue making deductions on a monthly basis from my pay cheque until I give notice of my termination of this Payroll Deduction Agreement to both Urban Wellness Centre and to Manitoba Hydro Payroll Department. I also agree and understand that Manitoba Hydro can choose to cease making monthly deductions from my pay cheque at any time. I understand that should Manitoba Hydro choose to stop making monthly deductions on my behalf, Manitoba Hydro shall use reasonable efforts to notify me in advance of the next scheduled payroll deduction. I understand that a receipt for my membership will be provided on an annual basis upon request.

As of the date of execution of this Agreement, the monthly cost for my Urban Wellness Centre membership is \$35.00. This is based on a minimum commitment of 12 months. If I wish to cancel after the 12 month period I must do so in writing or the deductions will continue monthly as it will be assumed that you wish to continue as a member. I understand that this fee may be changed from time to time by the Urban Wellness Centre, subject to terms and conditions of my membership Agreement with Urban Wellness Centre. I understand and agree that should the Urban Wellness Centre directly advise Manitoba Hydro of a change in the monthly membership rate, Manitoba Hydro is hereby authorized to change the monthly deduction to reflect the new monthly rate without first requiring my consent to such a change.

I agree that Manitoba Hydro shall have no liability to me or to the Urban Wellness Centre whatsoever arising in any way out of this agreement or arising out of any deductions it makes, or fails to make, pursuant to this Payroll Deduction Agreement. I also understand that this agreement in no way makes Manitoba Hydro ultimately responsible or liable for payment of my membership fees with the Urban Wellness Centre and that all such responsibility lies with me should such fees become due and owing.

I have read, understand and agree to the terms and conditions listed above.
